

CONTINENTAL
MARK VI

1981

CONTINENTAL MARK VI FOR 1981

...a remarkable merging of esthetics and engineering.

Since the very beginning of the Continental Mark lineage, there has been that strong styling statement. Today, in the new Mark VI, that statement still prevails, now in the most contemporary of terms.

Design originality is but part of the legend of Mark. For through the years, this automobile has achieved high, sophisticated levels of technology, as well.

Standard on every 1981 Mark VI, for example, is the marvel of electronic instrumentation — an instrument panel and message center. This communications system provides instant answers to driver inquiries and creates a new rapport between man and machine.

Discover the new Mark VI for 1981 — from the elegance of the Signature Series to the high fashion of the Marks of the designers.

The 1981 Continental Mark VI Signature Series four-door in Dark Red Metallic.

The Continental Mark VI Signature Series. The ultimate expression of Mark luxury.

Available in both four-door and two-door, the Signature Series represents the most generous offering of standard features among the Marks. Beyond the standard features common to the other Marks, the Signature Series provides such conveniences as Keyless Entry System, illuminated visor vanity mirrors, garage door opener control, six-speaker Premium Sound System, power remote-control mirrors, and wire-spoke aluminum-rim wheels.

The Signature Series comes in either Dark Red Metallic or Silver Metallic with color-keyed landau roof.

Choose the pleasure of leather...

For sumptuous velour. Select either material for your Signature Series interior. Each comes in rich Dark Red. Standard Twin Comfort Lounge seats have six-way/ six-way power adjustments, as well as driver and passenger recliners. Other fine appointments, like Allure carpeting, dual floor well lamps, door and quarter trim appliques, abound.

The 1981 Continental Mark VI Signature Series two-door in Silver Metallic with color-keyed landau roof.

**The Signature Series two-door.
High style, highly personal.**

Here are all the standard comforts and conveniences of the Signature Series personalized into a two-door. Your private space is enhanced by such detail as color-keyed Allure carpeting applied to floors, doors and even front and rear floor mats. And, of course, you can surround yourself with sound from your standard Electronic AM/FM Stereo Search radio with six-speaker Premium Sound System.

**The Givenchy Designer Series
Continental Mark VI.**

French designer Hubert Givenchy brings a mood of elegance to his Mark VI through the use of Black and Dark Pewter Tu-Tone. Above, he chooses a Black landau vinyl roof and, below, wire spoke aluminum wheels to complete his nocturnal theme.

The interior awaits your selection of either cloth or leather in Pewter.

**The Pucci Designer Series
Continental Mark VI.**

Italy's Emilio Pucci brings to his Mark VI the tonal subtlety of Fawn. The exterior is treated in Medium Fawn Metallic with Light Fawn bodyside molding insert and a full vinyl roof of Fawn.

This motif continues inside with Light Fawn Twin Comfort Lounge seats of soft leather and a Tu-Tone Light and Medium Fawn leather-wrapped steering wheel.

Pucci has successfully created a feeling of great gentility in his Mark VI.

The Cartier Designer Series Continental Mark VI.

The Cartier tradition of crisp elegance is expressed most clearly for 1981. Working only with hues of Pewter Metallic, both inside and out, Ralph Destino has devised a pure, uncluttered Cartier Mark VI.

The landau vinyl roof is Medium Pewter, while the body is Medium Pewter Metallic. A thin Dark Red accent stripe on the bodyside and decklid serves as simple, but effective, punctuation.

**The Bill Blass Designer Series
Continental Mark VI.**

The boldness of Dark Blue Metallic over Light Fawn Metallic, and a sporty Dark Blue Cloth Carriage roof — this is the basic design statement of America's Bill Blass. This duet of Blue and Fawn prevails inside, too, in the treatment of the Twin Comfort Lounge seats (available in either leather or cloth). It carries through even to the Tu-Tone leather-wrapped steering wheel.

Other standard features include color-keyed, lacy spoke cast aluminum wheels, illuminated visor vanity mirrors, and your personalized instrument panel nameplate.

Continental Mark VI Luxury Group four door in Diamond Blue Metallic with Diamond Blue landau roof.
Continental Mark VI Luxury Group two door in White with Midnight Blue Carriage roof.

The Luxury Group. How to fashion your own Mark VI.

When you choose the Luxury Group option, exciting possibilities open up to you. You can virtually make your own Mark.

There are eleven interior Luxury Group colors: Pewter, Dark Red, Midnight Blue, Medium Pine, Nutmeg, Medium Fawn, Light Fawn, Gold (two-door only), Vaquero, Black, and White. Make your choice, then, from the many contrasting and complementary colors offered, select the color of your exterior paint and bodyside molding.

Next, choose your roof color and type: full vinyl or landau. (The simulated-convertible Carriage roof is available in two-door models.)

Select the material and trim for your Twin Comfort Lounge seats, either leather or cloth, and there you have it, a Mark VI designed by you.

Among the standard features of the Mark VI Luxury Group are: (1.) seatback robe cords and map pockets, (2.) dual floor well lamps, (3.) lighted stowage bins in front door armrests, (4.) six-way/six-way power Twin Comfort Lounge seats in leather (or luxury cloth), cut-pile carpeting on doors and quarter trim panels, and needed luggage compartment carpeting.

To give you an idea of the possibilities, here's an example of some of the color combinations within the Midnight Blue Luxury Group.

ROOF	PAINT	BODYSIDE MLDG.
White	White	White
Midnight Blue	Dark Blue Met.	Midnight Blue
White	Dark Blue Met.	Midnight Blue
Diamond Blue	Diamond Blue Met.	Diamond Blue
White	Diamond Blue Met.	Diamond Blue

(NOTE: Colors shown here are a printed representation. For accurate color selection, see your Dealer.)

Continental Mark VI four-door with full vinyl roof.

Continental Mark VI two-door with full vinyl roof.

Continental Mark VI. It includes as standard all the luxury you may need.

So much is standard on Continental Mark VI for 1981. Certainly there are the expected features like power windows, Electronic AM/FM Stereo Search radio with four speakers, automatic temperature control air conditioning, white sidewall Michelin steel-belted radial-ply tires, and full vinyl roof.

Then, there are the unexpected standard features, like an Electronic Instrument Panel with Message Center. You can request up to twenty items of information ("What is my current fuel economy?" for example) with the touch of a button. Your answer appears instantly on the Message Center.

Continental Mark VI Standard Equipment

- California emissions system
- Wide white sidewall tires (puncture-resistant)
- Luggage compartment rubber mat

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire in your vehicle when ordering it from your Dealer. Before taking delivery of the vehicle, we suggest that you verify that it includes the optional equipment that you ordered or, if there are changes, that they are acceptable to you.

*Standard on Signature Series

On display at left, some optional features.

1. Electronic AM/FM Stereo Search radio with cassette tape player. Features Dolby® noise reduction system for improved reproduction of cassette tape music and FM stereo broadcasts. Tape controls include locking fast forward and reverse, automatic and manual tape ejection.
2. Electronic AM/FM Stereo Search radio with 8-track tape player, includes electronic touch button AM/FM tuning and seek feature that locates and tunes to next listenable station.
3. Six-way power Twin Comfort Lounge seats with driver and passenger seat

recliners (shown with optional leather and vinyl trim).

4. 40-channel remote-control CB transceiver. Includes favorite station memory/scan, instant emergency Channel Nine access button, and automatic last-channel memory. Also has detachable microphone with built-in controls.

5. Left to right: lacy spoke aluminum wheels, wire spoke aluminum wheels, turbine spoke aluminum wheels, wire wheel covers. (Refer to Optional Feature listing for standard/optional status for various models.)

6. Power glass moonroof. Provides an open-air feel on the open road. (Not available with Carriage roof on two-door models.)

7. Illuminated Entry System. All interior lights go on and a ring around the door lock is illuminated when either front door handle is pulled. Included in Keyless Entry System. Both are optional on Continental Mark VI, standard on Signature Series.

8. Carriage roof. Simulated convertible top. Standard on Bill Blass Designer Series. Not available on four-door models or with moonroof.

STANDARD EXTERIOR COLORS

NOTE: Due to occasional printing irregularities, the colors shown may vary from actual hues. Please see your Lincoln-Mercury Dealer for accurate color chips.

OPTIONAL EXTERIOR COLORS

DUAL SHADE PAINT OPTIONS (upper/lower) Dark Champagne/Light Fawn Metallic, Dark Red Metallic/Silver Metallic, and Dark Blue Metallic/Diamond Blue Metallic.

Denotes Clearcoat color, a finish that provides a brilliant, deep surface because the pigment lies beneath a clear, protective baked enamel coating. **Signature Series only.

EXTERIOR COLORS

The variety of exterior colors for Continental Mark VI, shown above in printed representation, is designed to coordinate with the many available external trim and roof colors. Working with such a wide choice of possibilities, you are able to express your individual taste most effectively. See your Dealer's color and upholstery book for a full and more accurate presentation of color and trim choices.

LUXURY GROUPS

The Luxury Group Option is offered in the following trim colors: White, Pewter, Dark Red, Midnight Blue, Medium Pine, Nutmeg, Medium Fawn, Light Fawn, Gold, Vaquero, and Black.

VINYL ROOF COLORS

Valino grain vinyl roof colors come in: Black, Diamond Blue, Medium Red, Dark Nutmeg, Dark Pine, Light Pewter, Medium Pewter, Midnight Blue, Light Fawn, Light Gold, White, Dark Champagne, Bittersweet, Cream, Silver (Signature Series only), Fawn (Pucci Designer Series only), and Dark Red (Signature Series and Dual Shade only).

CARRIAGE ROOF COLORS

Carriage roofs are available in White Diamond Grain Vinyl, Light Fawn Diamond Grain Vinyl, Midnight Blue Fabric, Dark Brown Fabric, and Black Fabric.

ACCENT STRIPES

Accent stripes are offered in the following colors: Black, White, Dark Pewter, Bright Red, Medium Blue, Light Pine, Dark Pine, Bright Bittersweet, Bright Nutmeg, Light Champagne, Dark Champagne, and Dark Rattan.

INTERIOR TRIM

Twin Comfort Lounge seats are offered in both cloth and leather. Cloth colors are: Black, Dark Red, Midnight Blue, Medium Pine, Nutmeg, Medium Fawn, Vaquero (Luxury Group only), and Pewter. In leather, available colors are: Black, Pewter, Dark Red, Midnight Blue, Medium Pine, Nutmeg, Light Fawn, and Vaquero (Luxury Group only). Gold is available on Luxury Group two-door only.

LEASING

There may be considerable advantages in leasing a new Continental Mark VI, depending on your needs. Leasing lets you drive the new model of your choice, while paying a fixed monthly rate. If you use your Continental Mark VI in business, your tax records may be simplified. Further, with an optional coupon book, you get a comprehensive range of maintenance services at any Lincoln-Mercury dealership. This helps you predetermine your monthly automobile expenses.

There are other conveniences provided by your Lincoln-Mercury Dealer Leasing Association (LMDLA) member, such as handling tire replacement, licensing, taxes, and insurance.

It may be worth discovering the details from any one of the more than 1300 LMDLA members nationwide.

EXTENDED SERVICE PLAN

EXTENDED SERVICE PLAN

Ford Motor Company's optional Extended Service Plan covers certain selected components on new Lincoln-Mercury cars for longer than the vehicle's basic warranty. The cost is so moderate for the protection you get that it could pay for itself the first time you need it. Your Lincoln-Mercury Dealer will be happy to give you complete details of the Plan, which is available on cars sold and normally operated in the 50 United States.

ELECTRONIC ENGINE CONTROLS

A computer brain monitors and controls spark, air, and fuel mixture, and exhaust gas recirculation for effective use of fuel.*

*EPA ratings were not available at time of printing. See your local Dealer for details.

ELECTRONIC FUEL INJECTION

Fuel flow and distribution to cylinders are more precise than with conventional carburetors, plus excess fuel not needed by the engine is returned to the fuel tank.

REAR SUSPENSION

A four-bar link design incorporates coil springs centered over the axle, and shock absorbers in front of the axle contribute to its superb ride.

MICHELIN STEEL-BELTED RADIAL-PLY TIRES

CORROSION PERFORATION WARRANTY

Ford Motor Company offers a limited three-year corrosion perforation warranty excluding exhaust system components on all new 1981 Lincoln-Mercury automobiles. And it's free.

The warranty states that any part which, in normal use, develops perforation from corrosion within three years of retail delivery or first use will be repaired or replaced free of charge by the selling Dealer after inspection by a Ford representative. Exhaust system components or parts which develop corrosion perforation caused by accidents or other damage are not covered.

This warranty valid only in the 50 United States.

FRONT SUSPENSION

A long- and short-arm coil spring design with front stabilizer bar is an important contribution to the plush Mark VI ride.

AUTOMATIC OVERDRIVE TRANSMISSION

At highway speeds, engine revolutions are automatically reduced, resulting in excellent highway mileage. (EPA ratings were not available at time of printing. Data may now be available. See your local Dealer.)

Specifications and descriptions used were in effect when this publication was approved for printing. Lincoln-Mercury Division reserves the right to discontinue models or options at any time, or change specifications, equipment or designs without notice and without incurring obligation. Standard and optional equipment listed are subject to change. Some features described are optional at extra cost. Some options are required in combination with other options. Availability of some models and features may be subject to a slight delay.
