### **Fury III Interior**

Rich black vinyl inside this Fury III 2-Door Hardtop offers a bold note of contrast. There's a variety of 15 tough, chip-resistant exterior color choices.

### **Fury III 2-Door Hardtop**

The rich, deep sheen of Ruby, in Plymouth's new acrylic enamel exterior finish gives an added note of luster to the plush appearance of the Fury III 2-Door Hardtop.

### **Satellite 2-Door Hardtop**

The rakish cut of the Satellite 2-Door Hardtop, here shown in Dark Blue Metallic, combines with the strong simplicity of its concentration to say "first class" in every lane.

### **Satellite Interior**

The radiant brightness of Satellite's color-coordinated interior is outside only by the heavy-duty wearability of its new knit-lucked vinyl seat-covering materials.

### **Valiant 200 Interior**

The Valiant 200 series boasts interiors of rich-feeling upholstery and full floor carpeting. The optional real all-vinyl car pictured could make a boulevard out of you.

### **Valiant 200 4-Door Sedan**

Responsive-car performance is just one of the advantages you get in Valiant. This 200 4-Door Sedan, in Ruby, is typical of the luxury in any Valiant 200. White sidewall tires, bumper guards, and wheel covers are optional, of course.
