ELITE
Fine car styling, road car spirit,
mid-size price

Elite 2-Door Hardtop

Styled to keep you apart from the crowd, priced so you can enjoy it now.
Ford has brought a fine road car into the mid-size field. Along with its superb roadability, the Elite gives you a full measure of luxury at a reasonable price. You see elegant Elite touches everywhere—full or half vinyl roof standard at no extra charge, twin opera windows, distinctive exterior brightwork, generous soundproofing, and interior appointments that distinguish Elite as a personal car. Besides all its standard features, the Elite is available with a wide variety of options, including a power Moonroof. While the Elite keeps costs down with its many maintenance-reducing features—it lifts your spirits up every time you take to the road. Elite—spirited proof that Ford means value.
Elite 2-Door Hardtop (left) has a look of its own with its distinctive grille, twin opera windows and vinyl roof. Dark Jade Metallic (Code 46) with Jade vinyl roof.
Interior Decor Group (right) is a personal luxury option that includes individually adjustable split bench seats with dual armrests, automatic seat back release, your choice of soft cashmere-like cloth or soft all-vinyl trim, shag carpeting, visor vanity mirror, color-keyed deluxe belts, dual note horn, and even a special 8-pod instrument panel with tachometer. Shown in super-soft vinyl, White with Jade trim (Code D2). Bucket seats also available.

MUSTANG II
Our small, sporty personal car.

Mustang II Ghia Hardtop

America's best-selling small luxury car.
You'll feel younger as soon as you see Mustang II's exciting choice of models and options. There are three glamorous Luxury Groups for your selection: Silver, Tan Glow or Silver Blue Glow.
Mustang II offers two body styles in four models: the fastback-styled 3-door 2+2 and Mach 1 with fold-down rear seat, or the formal roofline Hardtop and Ghia. The standard power is a thrifty 2.3 liter engine with 4-speed floor shift. You can get the optional 302 CID V-8 (with SelectShift Cruise-O-Matic) or 2.8 liter V-6 (with manual 4-speed). Or choose the exciting new Stallion Group exterior for the 2+2 and 2-Door Hardtop models. In small sporty cars, too, Ford means value.
Mustang II Ghia Hardtop (left) is shown in Creme (Code 6P) with Creme vinyl half roof. Exterior appointments include opera windows, wire design wheel covers, bright ornamentation and color-keyed urethane-covered bumper.
Mustang II Ghia Interior (right) is shown in Creme and Gold Westminster cloth (Code DV) □ Standard features include low-back bucket seats, shag carpeting, woodtone accents, deluxe door trim panels and choice of cloth or vinyl seats.
For more details and illustrations, see your Ford Dealer for a 1976 Mustang II Catalog.

Notable Standard Features—Mustang II

MAVERICK
The proven family compact

Maverick 4-Door Sedan

Backed by millions of owner-driven miles.
No compact car has more going for it than Maverick. It's a simple, reliable family-size compact with a reputation for dependability, easy service and low scheduled maintenance expense. When you compare compacts, you'll see that Ford means value.
Maverick offers models and options to suit every taste and driving need. Choose the 2- or 4-Door Sedan, or give your Maverick 2-Door the sports car look with the new Stallion Group option of distinctive exterior dress-up trim. There are two thrifty 6-cylinder engines, a 200* and 250 CID, and a peppy 302 CID V-8. New this year are standard equipment front disc brakes.
Maverick 4-Door Sedan (left) in Green Glow (Code 4T). It's big enough to seat five adults and carry more than 13 cu. ft. of luggage, yet small enough to park and handle easily. An ideal economical compact car. And has the same-type Lifeguard Design Safety Features found in our bigger Fords.
Maverick's roomy standard interior (right) has deep-cushioned bench seats nearly 5 feet across. They're trimmed in attractive Random stripe cloth and vinyl, shown here in Green (Code BG). Carpeting, European-type door pull armrests, recessed door handles are standard.
For more details and illustrations, see your Ford Dealer for a 1976 Maverick Catalog.

Notable Standard Features—Maverick
2- and 4-Door Sedan—**FUNCTIONAL:** 200 CID 1V 6-cylinder engine* with solid state ignition □ 3-speed column shift transmission □ Recirculating ball-type steering □ Front disc brakes □ Bias-ply BSW tires □ DirectAir Ventilation □ Foot-operated parking brake □ Flipper rear quarter window (2-Door) □ Ford Lifeguard Design Safety Features.
APPEARANCE & COMFORT: Full-width Random stripe cloth and vinyl bench seat □ Cut-pile carpeting □ European-type armrest with door pull assist handle □ Door-operated courtesy light □ Lockable glove box □ Bright drip rail and wheel lip moldings □ Hub caps.
*200 CID not available in California.
NOTE: Other items shown are optional.

PINTO
The tough, small economy car that's fun to drive

Pinto 3-Door Runabout with Squire Option

Easy price, easy upkeep, easy at the wheel.
That's the combination that has made Pinto a best seller year after year. And for 1976 Pinto takes on a brighter, fresher look—with new grille and front end ornamentation and a choice of all-vinyl or cloth and vinyl seats, and, of course, Pinto's traditional economy in initial price, fuel and scheduled maintenance. It all adds up to new evidence that Ford means value.
There's a 2-Door Sedan, 3-Door Runabout and the Wagon that outsells them all, big or small. A 2.3 liter 4-cylinder engine with solid state ignition is standard. So are bucket seats, rack and pinion steering and 4-speed floor shift. Even a modest budget will cover options like the new Stallion Group which gives your Runabout special sporty exterior styling.
Pinto 3-Door Runabout with Squire Option (left) features woodgrain vinyl paneling on bodyside and lower back panel with bright surround moldings, belt, drip and window moldings and wheel covers. Easy-lift door opens to 29 cu. ft. of cargo space with rear seat down. Shown in Tan (Code 6U).
Handsome Plaid Cloth Interior (right). Add touches of luxury to your little economy Pinto with the Luxury Decor Group: woodtone instrument panel applique, deluxe door trim panels, custom steering wheel, passenger door courtesy light switch, rear seat ash tray, and more. Tan (Code DU).
For more details and illustrations, see your Ford Dealer for a 1976 Pinto Catalog.

Notable Standard Features—Pinto

FORD LTD
Beautifully styled, quality built standard size

Ford LTD Landau 2-Door Hardtop

The way to measure value in standard-size cars.

LTD's quiet, solid comfort for six tells you how well it's engineered and built. In standard equipment, interior conveniences and appointments LTD compares favorably with longer, heavier, more expensive cars it's designed to replace.

And your choice is wide: 2 LTD's, 2 Broughams, 2 Landaus and 2 Wagons, including the Country Squire, one of America's most popular luxury wagons.

The top-of-the-line Landau gives you just about everything you'd expect in a much more expensive car—except hard-to-park length. For a fine car with a distinctive flair all its own, select the Brougham. And for full-size pleasure at minimum price, move into the LTD—with all of Ford's quiet quality, service-saving features. Look close at the new 1976 Ford LTD, LTD Brougham and Landau—and you'll see that Ford means value.

Ford LTD Landau 2-Door Hardtop (left). Among its many available luxury-car features are concealed headlamps, Convenience Group, front cornering lamps, wide color-keyed bodyside moldings, and distinctive center pillar window. Harmony Color Group in Dark Brown Metallic (Code 5Q) and Tan Glow (Code 5U).

LTD Landau Interior (right) with optional pleated vinyl flight bench seat in Saddle and Tan (Code JU). Or choose the standard cloth and vinyl trim. Landau Luxury Group with split bench seats also available in choice of cashmere-like nylon cloth, super-soft vinyl or leather trim. Note fold-down center armrests, padded door panels with woodtone accents.

For more details and illustrations, see your Ford Dealer for a 1976 Ford LTD Catalog.

GRANADA
America's success car

Granada Ghia 4-Door Sedan

Elegantly designed for today's driving.

Granada became last year's best-selling newcomer because it introduced a special kind of car for our changing ways of driving.

Granada gives you standard-size interior comfort, and plenty of space for people and luggage. But it's about 2 feet shorter and half a ton lighter than most standard-size cars for ease of parking, handling—and surprising fuel economy. Its looks and lines remind you of the Mercedes 280 and the Cadillac Seville, but it carries a low Ford price. Granada seats five in comfort and surrounds you with fine-car luxury and appointments.

Yet Granada, with its 200 CID engine,* is at heart an economy car. Solid state ignition, gas-saving steel-belted radial tires, 5000-mile oil changes, 30,000 miles between chassis lubes—all add up to money-saving proof that Ford means value.

Choose the Granada 2- or 4-Door Sedan—or give yourself an extra treat with the Ghia 2- and 4-Door versions. A close look at Granada is a look at a new trend in cars.

Granada Ghia 4-Door Sedan (left) in Silver Metallic (Code 1G). Family-size comfort, wide-stance stability, tight 39.4-foot turning circle all combine in an efficiently designed car for today's driving.

Granada Ghia Interior (right) with flight bench seat in Dark Red Kasman cloth (Code BD). Individual reclining front seats are available if you wish. Squared-off high roofline provides excellent headroom, front and rear, for five passengers in both 2- and 4-door models.

For more details and illustrations, see your Ford Dealer for a 1976 Granada Catalog.

Notable Standard Features—Granada

FUNCTIONAL: 200 CID 6-cylinder engine* with solid state ignition (250 CID on Ghia) □ 3-speed manual transmission □ Front disc brakes □ High-level heating-ventilating system □ Gas-saving steel-belted radial ply BSW tires □ Anti-theft deck lid lock □ Inside hood release □ Articulated windshield wipers □ Tipped rear door hinge (4-Door) □ Tri-color taillights □ Ford Lifeguard Design Safety Features.

APPEARANCE & COMFORT: Full-width vinyl trim front bench seat □ Cut-pile carpeting □ Burlled walnut woodtone instrument panel appliques □ Luggage compartment mat (carpeting on Ghia) □ Opera windows and bright moldings (2-Doors) □ Bright windshield, rear window, drip, belt, wheel lip moldings □ Mitered corner door-frame moldings (4-Door) □ Full wheel covers □ Ghia models also include: unique wheel covers, deluxe sound package, and many more deluxe features inside and out.

*200 CID not available in California.
