

1982 PLYMOUTH

GRAN FURY

1982 PLYMOUTH GRAN FURY... THE AMERICAN WAY TO GET YOUR

Gran Fury in Spice Tan Metallic.

Looking for traditional big car room, ride and comfort in a truly affordable package? Then consider our Plymouth Gran Fury for '82. You get all three of the above and then some because this year Gran Fury is not only priced to fit most budgets, it's trimmer and lighter, too, than last year's model.

Gran Fury's economy, however, is not achieved at the expense of big car

convenience and style. Its standard features include power steering and brakes, halogen headlamps, deluxe wheel covers, an automatic transmission, and the proven power of Chrysler's famed Slant Six engine.

A patented transverse torsion bar front suspension and glass-belted radial white sidewall tires are also standard to help ease you—and your Gran Fury—across

less than smooth roadways.

Inside, you'll find features that make Gran Fury a joy to drive for hours on end. Comfortable cloth-and-vinyl seating for six, a luxury two-spoke steering wheel, AM radio,* deluxe color-keyed seat belts and carpeting, and more. All standard.

Want to spoil yourself even more? Go directly to Gran Fury's long options list and select items such as air conditioning,

a tilt steering column, power sun roof, automatic speed control, or any one of several truly resounding sound systems.

1982 Plymouth Gran Fury. It makes a lot of sense for families or businesses that want a lot of car for the money.

*May be deleted for credit on factory orders.

Some of the equipment shown or described throughout this catalog is available at extra cost.

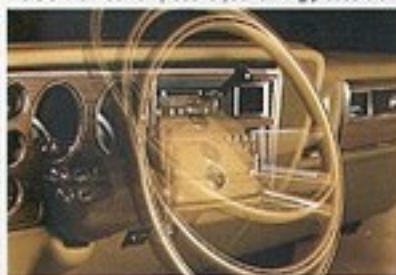

MONEY'S WORTH.

This cloth-and-vinyl bench seat with folding center armrest is standard on Gran Fury for '82. Shown here in Cashmere. Also available in Dark Blue, Silver, Red.

PLYMOUTH FOR 1982

Champ. Our front-wheel drive, five-passenger import. Three hatchback models to choose from.

Sapporo. The sophisticated sport coupe with European styling... plus handling, performance and luxury to match.

Horizon. The front-wheel drive four-door hatchback that seats five. Choose from the affordable and efficient Miser, the dressy Custom and the sporty E-Type.

TC3. Our sleek front-wheel drive hatchback lineup features the Miser, handsome Custom and sporty Turismo models.

Reliant. America's "first family" of efficient front-wheel drive, six-passenger cars. Available in two-door, four-door and wagon models.

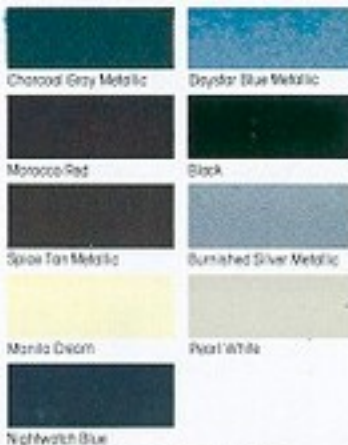

Voyager. The ultra-roomy people-mover that can carry from six to fifteen passengers, depending on the model you choose.

Arrow Pickup. The good-looking, sporty imported little pickup that's strong, reliable and built to last.

EXTERIOR COLORS*

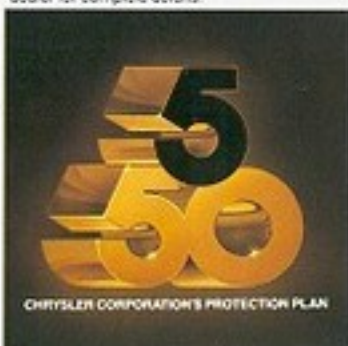

CORROSION PROTECTION

Chrysler Corporation's corrosion protection is among the best in the industry. It includes the extensive use of galvanized sheet metal panels, one of the best known methods of corrosion protection, and pre-coated steel in critical areas, as well as the seven-step dip-and-spray process.

5/50 PROTECTION PLANS

Chrysler offers you two choices of 5/50 Protection Plans: the 5/50 Power Train Plan and the 5/50 Custom Plan. These optional service contracts provide you with protection against tomorrow's rising service and parts costs for specified major repairs starting after your vehicle's "basic" limited warranty expires and lasting for five years or 50,000 miles (whichever occurs first) from your vehicle's original in-service date. The plans have a \$25 deductible, and provide an allowance for alternate transportation and towing. Ask your dealer for complete details.

MOPAR parts are engineered by Chrysler Corporation for use in your new Plymouth Gran Fury. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

* Due to occasional printing imperfections, the colors shown may vary slightly from actual hues. See your Plymouth dealer for accurate color chips.

Buy or Lease a Plymouth Gran Fury

If you buy a new car every two years or so, or would like to, you're in an ideal situation to take advantage of leasing—for that's the typical length of a lease contract. If you use your car in business, leasing could cut down on your operating and administrative expenses as well as give you accurate records for tax purposes. The more you learn about leasing, the more likely you are to consider it seriously. Talk it over with us—your local member of the Chrysler Leasing System.
