

1983 PLYMOUTH GRAN FURY

The American Way to Get Your Money's Worth.

1983 PLYMOUTH GRAN FURY

Time-tested for engineering and value.

When a car has proven itself by offering the right combination of engineering, styling and value, we make changes with care. Such is the case with Gran Fury, a car Plymouth designers seek to refine rather than transform.

What makes the Gran Fury a car not to be tampered with? It continues to offer interior room and comfort for six adults, impeccable ride and handling, and a dedication to automotive craftsmanship. And despite its affordable price, the Gran Fury carries a comprehensive list of standard features including tinted glass, halogen headlamps, power steering, power brakes, and a torsion bar front suspension—all to make your driving more enjoyable.

Galvanized panels, one of the best known protections against corrosion, are used extensively. Pre-coated steels are also used to help reduce corrosion.

Chrysler Corporation feels so confident about its quality procedures that upon expiration of the normal 12-month/2,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components, including engine, transmission, and axle—plus outer panel rust-through protection—to five years/50,000 miles, whichever comes first.* A deductible applies. See your dealer for details.

If you are looking for a car that has proven itself in engineering and enduring value, you should test drive the Gran Fury. We think you'll agree that some things don't need to change.

For the value-conscious buyer. The Gran Fury offers a traditional level of interior room and comfort, plus a smooth, precise ride. Shown above right in Crimson Red, with Red cloth interior shown at right.

Convenience is also highlighted. Gran Fury's luxury two-spoke steering wheel frames the easy-to-read instrument cluster (shown at right in Red). The instrument panel features a padded top and handsome Sherwood woodtone trim.

*Does not apply to fleet vehicles.

Some of the equipment shown or described throughout this catalog is available at extra cost.

About this catalog. We have tried to make this catalog as complete as possible, and we hope you find it useful. However, since the time of printing, some of the information you will find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

CONSIDER LEASING FROM THE LEASING PROFESSIONALS

In these days of tight money and high interest rates more consumers are considering leasing as an alternative to buying. Leasing a new Plymouth Gran Fury usually eliminates large down payments, and often results in lower monthly payments because you're paying only for that portion of the car life under the leasing agreement.

Leasing could be right for you, and the more you learn about it the more likely you are to consider it seriously. If leasing sounds like a sensible solution to your transportation needs, talk it over with us - your leasing professional.

All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Some of the equipment shown on product illustrations is optional at extra cost. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

DIMENSIONS, WEIGHT AND CAPACITY

	Four Door
Length	205.7"
Width	74.2"
Height	55.3"
Wheelbase	112.7"
Turning Diameter	40.7"

- Ignition and steering column lock
- Headlamp and wiper circuit breakers with automatic reset
- Key-kill ignition warning
- Reinforced windshield header and roof
- Glare reduction measures for windshield wipers, instrument panel, and steering wheel

OPTIONAL 5/50 PROTECTION PLAN COVERAGE

Chrysler Corporation offers a 5/50 "Added Coverage" Service Contract for your new Gran Fury which provides protection against rising service and parts costs for specified major repairs not included in the 5/50 limited warranty. Coverage starts on the specified components in the plan after your vehicle's "basic" 12-month/2,000-mile limited warranty expires on these components and continues for five years or 50,000 miles (whichever occurs first) from the vehicle's original warranty start date. A deductible applies.

The plan provides an allowance for alternate transportation and towing.

Ask your dealer for details.

MOPAR parts are engineered by Chrysler Corporation for use in your new Plymouth Gran Fury. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.
