CHRYSLER

E C L A S S S

Chrysler E Class shown in White.

Chrysler E Class standard padded instrument panel shown in Brown with optional air conditioning and electronically tuned AM/FM stereo radio.

About this catalog. We have tried to make this catalog as complete as possible. And we hope you find it useful. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

Chrysler E Class shown in Mink Brown Pearl Coat/Beige Crystal Coat two-tone.

CHRYSLER E CLASS... FULL-SIZE ROOM, AFFORDABILITY AND TECHNOLOGY.

Chrysler E Class is the most affordable full-size Chrysler. Its outstanding qualities include room for six passengers on a stable 103.3-inch wheelbase; sleek, contemporary styling; quiet comfort and luxury; precise control, and those high technology front-wheel drive characteristics that Chrysler is known for.

Increased power is an important new E Class feature for 1984. The standard 2.2-liter Trans-4 overhead cam engine has more power at 99 hp because of electronic fuel injection and other refinements. Yet fuel efficiency remains high, with a rating of **[25]** EPA EST MPG; 35 estimated highway.* Or for even more power, choose the optional 2.6-liter Mitsubishi-built four-cylinder engine, or the optional 140-hp turbocharged 2.2-liter Trans-4 engine.

Also new for 1984 are new styling accents including handsome new two-tone paint combinations. New options include electronically tuned radios with electronic clocks.

*With standard three-speed automatic transaxle. Use EPA EST MPG numbers for comparison. Your mileage may differ depending upon speed, weather and trip length. Actual highway mileage probably will be lower than highway estimate. California: **[24]** EPA EST MPG; 33 estimated highway.

Optional 50/50 cloth bench seat with dual armrests, dual recliners and seat-mounted center console with seat controls. Shown in Beige.

Chrysler E Class shown in Nightwatch Blue.

One of the first things you'll notice and like about Chrysler E Class is room—97 cubic feet of it. Six-passenger room. Adult room. Plus 17 cubic feet of trunk space under the rear deck. But this is not *just* room. The handsome interior is tastefully appointed in color-coordinated fabrics and materials. New cut pile 16-ounce carpeting is standard. So are interior passenger assist handles mounted conveniently over the doors.

Affordability is supremely evident in Chrysler E Class in a long and complete list of standard features that includes power brakes with front discs and self-adjusting rear drums, power steering, graphic message center, concealed two-speed windshield wiper system, and comprehensive lighting.

Value is hand-and-hand with affordability in Chrysler E Class through designed-in and built-in durability features such as extensive use of rust-fighting galvanized steels and a urethane protective coating on the lower body surfaces. Proof of Chrysler's confidence is in its 5/50 Protection Plan, providing you with extended limited warranty coverage on power train components including engine, transaxle and axle, plus outer body rust-through protection. A deductible may apply. Fleet and lease vehicles are excluded. See your dealer for details.

CHRYSLER E CLASS...
BUILT TO KEEP YOU
HAPPY FOR A LONG,
LONG TIME.

1984 CHRYSLER E CLASS

OPTIONS (pictured)

1. AM/FM/MX premium stereo radio with electronic tuning. Digital station display also incorporates electronic digital clock. Seek-and-Scan function locates and locks on stations, and allows program search. Memory capability for 10 AM and 10 FM stations. Available with or without cassette player incorporating Dolby* noise reduction system.

2. Illuminated vanity mirror. A touch of convenience for your driving companion.

3. Power door locks and windows. Control of door locks and windows is at your fingertips. This feature increases your Chrysler E Class' security and convenience.

4. Power remote sideview mirrors. Convenient, precise adjustment of outside left and convex right side mirrors. Easily adjustable for different drivers.

5. Automatic speed control. Enables you to cruise on highways and freeways at a constant speed, helps you to conserve fuel. It also helps reduce driver fatigue by enabling you to change your driving position without sacrificing safety in quick braking situations.

6. Air conditioning with bi-level ventilation. We all know the comfort that air conditioning provides. You should know that Chrysler Corporation's bi-level ventilation provides a more even flow of cool, clean air for a more constant temperature throughout the car.

7. Tilt steering wheel. Another convenience to suit different drivers. The wheel adjusts to six different positions. It also eases entry and exit.

OPTIONAL EQUIPMENT

Certain models, packages and options are subject to specific restrictions.

requirements and late availability. Consult your dealer for current ordering information.

- Air conditioning—with bi-level feature; tinted glass required (see engine cooling)
- Battery—500-amp, maintenance-free; heavy-duty
- Bumper guards—front and rear (10 colors)
- Cornering lamps
- Defroster—rear window; electrically heated (required at extra cost in New York state)
- Electronic Voice Alert (11 functions)
- Emissions controls—California (required at extra cost on all vehicles registered in California)
- Engine—2.2-liter Trans-4 turbocharged
- Engine—2.6-liter Mitsubishi-built
- Engine cooling—recommended for vehicles to be equipped with field-installed air conditioning (not available with factory air conditioning)
- Glass—tinted; all windows
- Illuminated Entry System
- Mats—floor; front and rear; color-keyed

- Moldings—protective: door edge and body side

MIRRORS • Exterior—dual; power remote control; chrome

- Interior—passenger visor vanity; illuminated

POWER • Deck lid release

- Door locks
- Seat—bench, or left 50/50
- Windows

RADIOS • AM/FM/MX stereo—electronically tuned; with integral digital clock display

- AM/FM/MX stereo—electronically tuned; with integral digital clock display, Seek-and-Scan feature, and six-speaker sound system
- AM/FM/MX stereo—electronically tuned; with integral digital clock display, cassette tape player, Dolby* noise reduction system, and six-speaker sound system
- Radio delete—standard radio may be deleted on factory orders

- Seat—50/50 bench; cloth
- Seat—

- vinyl bench with center armrest
- Spare tire—conventional
- Speed control—automatic (deluxe windshield wipers required)
- Sport handling suspension (recommended with turbocharged engine option)
- Steering wheel—tilt (deluxe windshield wipers required)
- Steering wheel—luxury; leather wrapped, two-spoke
- Stripes—upper body-side
- Trunk dress-up
- Undercoating
- Wheel covers—wire; 14-inch (four)
- Wheels—cast aluminum; 14-inch (four)
- Windshield wipers—deluxe; intermittent

*Dolby is a trademark of Dolby Laboratories.

OPTIONAL PACKAGES

PROTECTION GROUP • Protective door edge moldings

- Bumper guards, front and rear

TWO-TONE PAINT PACKAGE

- Choice of two two-tone combinations
- Body-side tape stripes

INTERIOR TRIM

Standard Chrysler E Class Interior—Cloth center armrest bench seat with adjustable head restraints and cloth-covered door trim panels. Available in Blue, Silver, Red, Beige.

Optional Chrysler E Class Interior—All-vinyl center armrest bench seat with adjustable head restraints and vinyl door trim panels. Offered in Silver, Red, Beige.

Optional Chrysler E Class Interior—50/50 cloth bench seat with dual armrests, dual recliners, seat-mounted center console with seat controls, and seatback storage pockets. Door trim panels are the same as standard interior. Available in Blue, Silver, Red, Beige.

OPTIONAL 5/50 SERVICE CONTRACT COVERAGE

Chrysler Corporation offers a 5/50 "Added Coverage" (in Florida "Added Value Plan") Service Contract which provides protection against rising service and parts costs for specified major repairs not included in the 5/50 Limited Warranty. Coverage starts on the specified components in the plan after your vehicle's "basic" 12 month/12,000 mile warranty expires on these components and continues for 5 years or 50,000 miles (whichever occurs first) from the vehicle's original warranty start date. A deductible applies. The plan provides an allowance for alternate transportation and towing. Ask your dealer for details.

NOTE: Due to occasional printing irregularities, the colors shown may vary slightly from actual hues. See your Chrysler dealer for accurate color chips. *Available at extra cost.

ENGINES AND TRANSAXLES

| Type | Displacement | Bore & Stroke | Compression Ratio | Horsepower SAE Net @ RPM | Torque | Transaxle Availability |
|--------------------|--|---------------|-------------------|-------------------------------|--------------------------------------|------------------------|
| Federal/California | 2.2-liter Trans-4 with electronic fuel injection (135 CID) | 3.44" x 3.62" | 9.0:1 | 99 hp @ 5,600 | 121 lb-ft @ 3,200 | automatic (3.02 OTGR) |
| Federal/California | 2.6-liter 2-bbl (156 CID)* | 3.44" x 3.62" | 8.7:1 | 100 hp @ 4,800 99 hp-Calif | 140 lb-ft @ 2,800 137 lb-ft-Calif | automatic (3.02 OTGR) |
| Federal/California | 2.2-liter Trans-4 turbocharged (135 CID) | 3.59" x 3.86" | 8.2:1 | 140 hp @ 5,200 | 160 lb-ft @ 3,600 | automatic (3.02 OTGR) |

OTGR—overall top gear ratio. *Built by Mitsubishi Motors Corporation.

DIMENSIONS, WEIGHT AND CAPACITY

- Length: 187.2" • Width: 68.3"
- Height: 52.9" • Wheelbase: 103.3"
- Turning Diameter: 35'6" • Curb Weight: 2,595 lbs • Tread (front/rear): 57.6"/57.0" • Cargo Capacity (est): 17.0 cu ft • Passenger Capacity: 6
- Fuel Capacity: 14 gal

CHRYSLER E CLASS STANDARD FEATURES

Alternator—90-ampere • Armrests—door • Ash receivers—front and rear • Battery—370-ampere; maintenance-free • Battery test indicator • Brakes—power, dual diagonal; disc front; self-adjusting drum rear • Bumper rub strips—color-keyed • Bumpers—energy-absorbing • Carpeting—passenger compartment • Cigarette lighter • Clock—electronic digital (integral with AM radio) • Coat hooks • Coolant overflow reservoir • Corrosion protection—extensive use of galvanized steel • Deck lid power release • Directional signals—with lane-change feature • Door—fuel filler; with lock and power release • Electronic ignition and voltage regulator • Engine—four-cylinder 2.2-liter Trans-4 with electronic fuel injection • Engine cooling fan—electric • Fuel filler cap—tethered • Fuel tank—14-gallon • Head restraints—adjustable • Headlamps—halogen high and low beam; rectangular • Headliner—cloth-covered; color-keyed • Hood—counterbalanced • Hood—insulation pad • Hood ornament—crystalline Pentastar • Hood release—inside • Horns—dual • Instrument panel—message center; includes low washer fluid, low fuel, trunk ajar, door ajar warning lights • Instrument panel—padded • Instrument panel—woodtone treatment • Insulation—special: body sound • Lights—ash receiver, dome/reading, glove box, ignition switch (with time delay), door-actuated dome light, parking brake warning, side marker with reflectors, trunk, underhood • Lock—glove box • Mirrors—inside rearview day/night • Mirrors—outside left remote, right manual; chrome • Moldings—bright backlight, windshield, belt, upper door frame, quarter window, sill, headlamp, wheel opening, drip rail, lower deck lid • Optical horn—pass/flash system • Ra-

dio—AM; with electronic tuning and integral digital clock (may be deleted for credit on factory orders) • Steering—rack-and-pinion; power • Steering wheel—luxury two-spoke • Suspension—front: Iso-Strut with coil springs around the shock absorbers, linkless sway bar; rear: flex arm beam axle with trailing link coil springs and premium shock absorbers • Tail-lamps—full width wraparound • Tire—spare: compact, high-pressure • Tires—all-weather steel-belted radial wide white sidewall • Transaxle—three-speed automatic • Ventilation system—upper level forced air; four outlets • Wheel covers—premium (set of four) • Windshield wipers and washers—two-speed; electric • Wiper system—concealed

STANDARD SAFETY FEATURES

- Safety-Rim wheels • Combination lap-shoulder belts for the driver and right front passenger, and lap belts for all other passengers • Seat belt reminder system • Energy-absorbing steering wheel • Dual braking system with separate brake fluid reservoirs in the master cylinder • Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied) • Hazard warning flasher system • Turn signals with lane-change feature • Electronic ignition • Backup lights • Energy-absorbing sun visors • Front seat head restraints • Energy-absorbing front seatbacks • Inside and outside rearview mirrors • Side marker lights and reflectors • Seatback latches on folding seats • Fade-resistant front disc brakes • Electric windshield washers and wipers • Ignition and steering column lock • Anti-theft trunk lock • Headlamp and wiper circuit breakers with automatic reset • Key-left-ignition warning • Non-override door locks (except driver's door) • Resilient window crank knobs • Side door beams • Dual throttle return springs • Interlocking door latches • Recessed inside door release handles • Rotary glove box latch • Reinforced windshield header and roof • Glare reduction measures for windshield wipers, instrument panel, and steering wheel • Double ball-joint rearview mirror mount

CONSIDER LEASING FROM THE LEASING PROFESSIONALS.

In these days of tight money and high interest rates more consumers are considering leasing as an alternative to buying. Leasing a new Chrysler E Class usually eliminates large down payments and often results in lower monthly payments because you're paying only for that portion of the vehicle life under the leasing agreement.

Leasing could be right for you, and the more you learn about it the more likely you are to consider it seriously. If leasing sounds like a sensible solution to your transportation needs, talk it over with us—your leasing professionals.

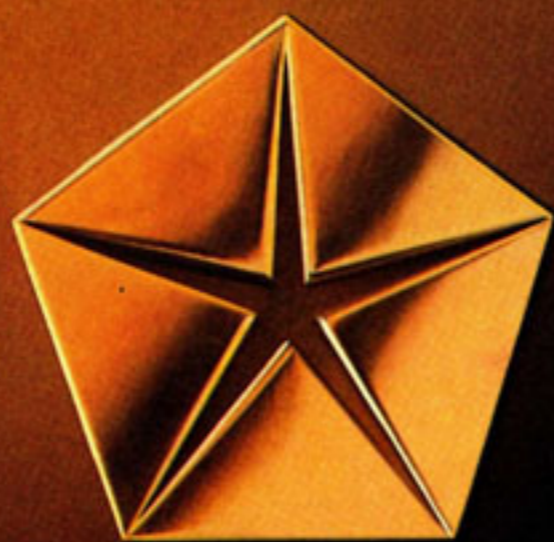

All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

MOPAR parts are engineered by Chrysler Corporation for use in your new Chrysler E Class. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.
