Caravan ES shown in monochromatic Bright White Clear Coat.

## WHY CARAVAN?

With an all-new look inside and out for 1991, Caravan retains its "form follows function" attitude. The kind of attitude that helps Caravan earn its ranking as highest in customer satisfaction of all mini vans, foreign or domestic.\*

For 1991, Caravan introduces a sophisticated all-wheel-drive system for advanced safety and security. Four-wheel antilock brakes<sup>†</sup>, which provide superior stopping ability, are also available.

Seating for seven people is standard on every Caravan model except Base.

With advantages like this, it's no wonder that Caravan is regarded as the "gold standard" of mini vans.

\*1989/1990 J.D. Power and Associates, Light-Duty Truck Customer Satisfaction with Product Quality and Dealer Service™ Surveys (88/89 models)

†Late availability on AWD models.

The Quad Command Seating Package (optional on all SE and LE models) includes four bucket seats and a rear bench seat.

Caravan's highly visible and ergonomic instrument panel.

## WHY MONACO?

The sophisticated Dodge Monaco is one of the roomiest cars in its class.

The high-performance 3.0-liter V6 engine is standard on both ES and LE models.

Monaco's sleek, elegant shape is one of the most aerodynamic in its class.

Monaco offers front passive shoulder/active lap belts and rear three-point unibelts for all outboard

seating positions.

An advanced four-wheel disc anti-lock braking system is available on both models.

A state-of-the-art automatic temperature control air conditioning system is standard on Monaco ES (available on LE).

For these reasons and more, 1991 Monaco is the best of its class.

Dynasty LE shown in Medium Blue Metallic Clear Coat.

## WHY DYNASTY?

The elegant Dodge Dynasty is the classic sedan with an outstanding combination of luxury and value.

Dynasty offers a choice of two powerful V6 engines.

Driver-side air bags are standard. A four-wheel antilock brake system is available.

Dynasty features a new available remote keyless entry system, which joins a security alarm and illuminated entry in the optional Security Package.

Improvements to the front suspension geometry and thicker door glass give Dynasty better handling and a quieter ride. No wonder people who think big think Dynasty.

<sup>(3)</sup>Built by Mitsubishi Motors Corporation.

Spirit ES shown in Bright White Clear Coat.

## WHY SPIRIT?

Dodge Spirit pleases just about everyone—except the competition.

Spirit's commitment to being the perfect family car shows in its extraordinary combination of safety features, interior roominess and value.

Driver-side air bags and Unibelt three-point shoulder/lap restraints are standard.

Spirit features available six-passenger seating.

Its roomy interior provides plenty of rear seat leg room.

Spirit's doors open wide for easy access, and its low lift-over trunk height is exceptionally easy to load and unload.

Four-wheel disc antilock brakes are now available on Spirit.

And speaking of new, wait until you sample the energetic new Spirit R/T, with its 2.2-liter dual overhead cam 16-valve turbocharged 224 horsepower engine which gives it exhilarating performance that is unrivaled in its class. Nice.

## WHY SHADOW?

Dodge Shadow is the intelligent alternative to higher priced imported compacts. Available in two- and four-door liftback, as well as convertible models, Shadow stands out above the crowd.

The new Shadow America is one of the lowest priced cars to offer the safety of a driver-side air bag as standard equipment. The new Shadow America promises to be one of America's best car values. Included in its low price is a long list of standard items such as aerodynamic styling, liftback versatility, 2.2-liter SOHC EFI engine, and power-assisted front disc, self-adjusting rear drum brakes.

The Shadow two-door is one of the best values in its class.

The Shadow comes with an exceptionally high level of standard equipment.

For added excitement, Shadow introduces two exhilarating new convertible models.

'91 Shadow. It lets you raise your standards without blowing your budget to smithereens.

Driver-side air bags are standard on Dodge passenger cars built in the U.S. (Simulated air bag deployment shown.)

## WHY COLT?

The distinctive Colt three-door hatchback and Vista Wagon, built by Mitsubishi Motors Corporation and imported for Dodge, give the competition a real run for their money.

Colt three-door hatchback comes with a standard multivalve engine that offers power coupled with efficiency.

Colt Vista Wagon has standard seating for seven people and a high roof height.

Colt Vista Wagon offers a choice of either a road-hugging front-wheel-drive model or an "on-demand" four-wheel-drive model that engages automatically when needed.

For fun and practicality, the advantage rests with Dodge Colt and Vista Wagon.

## WHY DODGE?

This brochure has just scratched the surface as to the many advantages Dodge cars offer you for 1991. We suggest that you visit your nearby Dodge dealer for a closer look and a test-drive. He'll show you why Caravan is the "Gold Standard" of mini vans...why Dodge 7/70 Power Train Limited Warranty is still the envy of the industry...why Dodge thinks your safety is so important that it has included driver-side air bags on **all** passenger cars built in the U.S.

Dare to compare and we think you'll find that for 1991, it's

**ADVANTAGE:  
DODGE**

### 7/70 Power Train Limited Warranty.

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles. A deductible applies. See your dealer for a copy of the warranty.

### 7/100 Anticorrosion Limited Warranty.

Your dealer will repair or replace at no charge outer body panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles. See your dealer for details.

### Optional Service Contracts.

Chrysler Service Contracts provide you with additional peace-of-mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

Certain models, packages and options are subject to specific restrictions, requirements or late availability. See your dealer for the latest ordering information.

All product illustrations are based on current information at the time of publication

approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time without notice or obligation in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

### 3/36 Import Protection.

Colt three-door hatchbacks and Vista wagons built by Mitsubishi Motors Corporation and imported for Dodge are covered by a three-year or 36,000-mile basic car limited warranty (excludes adjustments, tires, wear items and maintenance). There is additional warranty coverage on power train components (five years or 60,000 miles), plus outer panel rust-through protection (five years/unlimited mileage on Colt Vista wagons, seven years or 100,000 miles on Colt three-door). No deductible applies. Restrictions apply. See a copy of the limited warranty at your dealer.

If replacement parts are needed, visit your Dodge dealer for genuine Mitsubishi parts, imported and distributed by MOFAR.

Some of the equipment shown or described throughout this brochure is available at extra cost.

About this catalog: Since the time of printing, some of the information you'll find in this brochure may have been updated. Ask your dealer for details.
